**PLEASE NOTE:** Due to safety and fairness, PARA has implemented the lottery system for new registration. There will be one number drawn per family. Numbers will be drawn “no sooner” than 8:00 a.m. on 3/8. Registration will begin at 9:00 w/ first number called. There will be no need or advantage of standing in line the night before or any earlier than 8:00 that morning. Spending the night will not be allowed.

**NOTE:** PARA will do all we can to keep costs down. However, this is a new uniform year and you can expect to pay an estimated \$250.00 for uniforms, shoes, etc. ALL amounts are payable to PARA. 50% of the cost of the uniform will be due at fittings in April. Balances will be due no later than August 1, 2008 and will be required in order to receive uniform. Further information will be given out at registration.

**Thank you for your support of the PARA cheerleading program.**
